Free Student License Options

Students who have an academic email address are eligible to receive a **FREE license** for Astah UML. This is for a single student's personal use only. Instructors and teachers should purchase an [academic license](#).

We no longer accept any applications with attachment files. Unfortunately, this change had to be made due to a high number of dishonest applications. Please ask your teacher to [purchase a site-wide license](#).

By completing this form, you agree that you've read and agree to the Privacy Policy and consent to having Change Vision, Inc collect and store your information.
